Letter Subject: Grant Acceptance Letter

Distinguished [Recipient Name and Title],

I, [your full name], I'm writing this letter to you about the honourable [name of the grant] offered by the university. As per the letter I received, dated 15th September 2020, the fellowship committee has decided to sponsor my research for this year's fellowship. This is a matter of honour for me, as I am going to be associated with such a distinguished and reputable University.

It is an honour to be chosen for this fellowship, and I hereby formally accept the grant offered to me. By accepting this grant, I accept and acknowledge my undying allegiance to the university. I agree to publish all of my research and the inferences drawn under the banner of [University name]. I, however, choose to communicate and collaborate all about the progress of my research with the head of the department of psychology and my mentor – [name of mentor / HOD].

I pledge to use the amount awarded for the grant, to fund the research and research only. I will be providing detailed reports, and documents relating to the research to the university department at the earliest.

Thanks a lot.

Yours truly,
