Dear Scholarship Donor,

My lifelong dream of attending medical school is moving forward, thanks to generous educational scholarships like yours. Since being named one of the recipients of the _____ Scholarship, my dream is becoming a reality at _____ College/University Medical School. The \$_____ award gives me an opportunity to earn skills that will serve the medical community following graduation. Thank you personally for your generosity: Without scholarship patrons willing to support medical education, students such as myself would be unable to pursue advanced health care degrees.

Your scholarship will help me earn credentials in Pediatric Medicine, which requires special training and coursework. My passion for medicine is matched only by my love for children, so my decision to specialize in Pediatrics comes from the heart.

Once again, thank you for the vote of confidence and the medical school scholarship. I am committed to my education and to the health care field, and one step closer to becoming a doctor, thanks to your continued generosity and the _____ Scholarship.

Sincerely,
