To Whom It May Concern,

I am writing this letter to give my highest recommendation to Jane Doe in her pursuit to enroll in your nursing program. Jane is an employee of mine: she has worked here at Bethesda Health Clinic since 2015 as a Nursing Assitant.

Over the course of her work, she showed herself as an energetic and meticulous professional. We would discuss a variety of healthcare topics related to her day-to-day activities and I was surprised by her outstanding knowledge and the creativity of her ideas.

Jane is extremely dedicated to her profession. She wants to be able to truly make a difference in people's lives for as long as she possibly can.

Jane would really like to join your nursing school in the next several months. I recommend her completely because I believe in her ability to be the best of the best in her profession. I wish her the best of luck for what she intends to do and I am confident that she will be an indisposale asset to your school.

Please contact me at +1 234-567-8900 if you have any requests or questions.

Sincerely,

John Doe
