

Statement

I wish to appeal my federal aid ineligibility as a result of failing to meet SAP requirements after the Spring semester.

What Happened

I did not complete my program within the 150% timeframe required to complete my degree because I changed my major in the middle of my Sophomore year.

Documentation

I have enclosed the following documentation:

1. Proof of change of major
2. Schedule listing of all classes I need to complete my degree
3. Academic Plan approved by my advisor.
4. Proof of my completion of the "Exit Counseling Session".
5. SAP Appeal Application

Sincerely,

Adam Appeal
