Dear Mr and Mrs Coleman,

I write this scholarship gratitude letter to you in appreciation for awarding the Academic Prowess Scholarship to me. I am deeply honored to be found worthy in your eyes of receiving the award. I am deeply convinced that I will have the most impact - driven period of my life in the University of Pennsylvania.

I come from a town in Georgia that has been economically disadvantaged over the years. The status has adversely affected my family's finances in a way that I could not further my education. I was at my wit's end when this scholarship opportunity came knocking on my door. Mr and Mrs Coleman, you may not know me on a personal level. But you took a heavy financial burden off my shoulders and that means a lot to me.

Once again, thank you for this award. Having a Master's degree in Criminology from the University of Pennsylvania is an asset. I will be able to decipher the deadliest

*crimes in my town, thus contributing to the restoration of greater peace in Georgia.
Thank you for your timely, financial support. May your family be blessed.*

Warm Regards,
